

## “Mighty Girls Club”

U.S. Embassy Tashkent staff recently visited Mighty Girls Club, a group of 20 aspiring young women leaders, at the Uzbek State University of World Languages. They are learning about female leaders by reading world literature, as well as improving their critical thinking and writing skills.

We had fun chatting about America’s different geographical regions, foods, and the many possibilities for university education in the United States. The club is funded by a grant from the embassy's Public Diplomacy section, which supports educational projects like these to inspire the next generation of women. Way to go, Mighty Girls Club! We wish you best of luck in the future, serving in your communities as young women leaders!

AQShning Toshkentdagi elchixonasi xodimlari yaqinda O‘zbekiston davlat jahon tillari universiteti qoshidagi 20 nafar yosh yetakchi ayollardan iborat “Mighty Girls Club”ga tashrif buyurishdi. Ular jahon adabiyotini o‘qib, ayol yetakchilar haqida ma’lumotga ega bo‘lish bilan bir qatorda tanqidiy fikrlash va yozish ko‘nikmalarini oshirishmoqda.

Mazkur loyiha davomida qizlarimiz Amerikaning turli geografik hududlari, taomlari va Qo'shma Shtatlardagi universitet ta'limining ko'plab imkoniyatlari haqida ma'lumotlarga ega bo'lishdi. Klub elchixonaning “Xalq diplomatiyasi” bo‘limi granti hisobidan moliyalashtiriladi, bu esa kelgusi avlod ayollarini ilhomlantirish uchun shu kabi ta’lim loyihalarini qo‘llab-quvvatlaydi.
