[5.5] Shuttle Services

Application for tracking public transport (Yandex. Uzbekistan)

Example of Bus Services – (UzSWLU)

Description:

Shuttle services are an important part of university life, providing students, staff, and visitors with convenient transportation options. Shuttle services can help reduce campus traffic congestion, improve safety, and provide a more sustainable transportation option.

Current Shuttle Services

The university currently provides shuttle services to various locations on campus. The shuttle buses run on a regular schedule and are free of charge for students, staff, and faculty. The shuttle service is available during peak hours when parking is limited or unavailable.

Several routes cover different areas of the campus, including the main campus, the student union, and the athletic complex. The shuttle services also provide transportation to off-campus events and activities
