Description:

Representatives of the Uzbekistan State University of world languages, which was held in Spain on May 30. P. Jo'rayev, X. Khakimov and A. The delegation, consisting of Khalilloyev, managed to reach a series of agreements by meeting with Fernando Pérez Pena, director of the International Department of the University of Cádiz, and Jesús Bolano Quintero, director of the Department for the development of Linguistic Policy.

During the meeting, the issues of sending a speaker from the University of Cádiz to Özdjtu from the new academic year, establishing the exchange of inter-university students and teachers, organizing training courses for teachers, as well as bringing the cooperation of the two universities to a new level were discussed.

Since 2019, joint educational programs in the 3+1 format have been implemented with the Moscow State Linguistic University in the field of Linguistics: Teaching Languages and Culture (English)" with the Adygea State University in the areas of "Russian as a foreign language" and "Computational Linguistics". With the Japanese Digital University in the fields of "IT engineering" and "Web design". Students study for 3 years at UZGUM and 1 year at a partner university in Russia. Graduates are awarded diplomas of the state standard of both. Today, about 170 students are enrolled in joint educational programs

The university provided information on the teaching of the Spanish language and cooperation with these public universities. Proposals were made to develop cooperation, including sending linguists to our university, establishing a Spanish language test center with the right to issue certificates.

Pro-rector for Scientific Affairs and innovation prof. G. Bakiyeva made proposals to develop relations in the scientific field with the University of Cádiz, to establish a joint doctoral program with two university diplomas. Rafael Jiménez supported the proposals made in Castañeda and insisted that the University of Cádiz was willing to cooperate in all areas
