

University : Uzbekistan State World Languages University

Country : Uzbekistan

Web Address : <https://www.uzswlu.uz/en>

### [1] Setting and Infrastructure (SI)

There are first aid stations in every university building. they are provided with the necessary medical equipment and medications. There is also an outpatient clinic and a medical unit with laboratories on the territory.

#### [1.21] Health infrastructure facilities for students, academics and administrative staffs' wellbeing

Medical center (UzSWLU)

**Description:**

To provide first aid, the university has a medical center, a structural unit of the university. The staffing schedule of the first-aid post includes a paramedic. The medical center carries out constant sanitary and hygienic control at the training and training sites, at competitions, in the dormitory and in the dining room. To monitor the health of

the teaching staff, staff and students of the academy, there is a first-aid post with an area of 95 m<sup>2</sup>.

1. Uzbekistan State World Languages University provides health services with comprehensive service support for the entire academic community.
