

UZBEKISTAN STATE WORLD LANGUAGES UNIVERSITY

REPORT ON ADMISSION TARGETS FOR STUDENTS FROM LOW-INCOME

Report Preparation Date: July 20, 2023

Uzbekistan State World Languages University (UZSWLU) has set specific targets for the admission of students from the lowest 20% of income households in the country.

Goals: UZSWLU aims for at least 20% of its students to come from low-income families. This goal is focused on ensuring equal access to higher education for all students, regardless of their social background.

The Uzbekistan State World Languages University strives to achieve a range of social goals, one of which is the complete eradication of poverty in all its forms. As part of this objective, the university takes measures to provide access to higher education for students from the lowest 20% of income households and those in difficult financial situations.

The university implements the following practical measures to support such students:

1. **Financial Support:** The university provides scholarships and other forms of financial assistance to applicants who are in challenging financial situations. These measures help cover tuition fees, learning materials, and other essential expenses.
2. **Flexible Payment Terms:** The university has developed flexible payment conditions that take into account students' financial capacities. This includes payment deferrals, installment plans, and other financial arrangements.
3. **Social Support:** The university offers social support to applicants who may require additional assistance, such as in housing, healthcare, and psychological support.
4. **Moral Support:** The university makes an effort to create an internal environment that fosters the learning and development of every student. This includes

mentorship programs, counseling, and tutoring to help applicants adapt to the educational process.

5. The Uzbekistan State World Languages University is committed to ensuring that no capable and motivated applicant is deprived of the opportunity to receive quality higher education due to financial difficulties. Our policy is aimed at creating equal opportunities for all, with a special focus on supporting students in challenging life circumstances.
