**Task 2.** Complete the following formal letter of complaint by underlining the correct linking word. Sometimes both options are possible. Write your answers into the answer box below.

Customer Complaints  
In Your Dreams Holidays

I am writing to complain about a holiday that I spent in your hotel in August of this year.

I have several reasons for complaining. **1. Firstly/First of all**, the information I received about the hotel was incorrect. The adverts talked about a swimming pool and a golf course. In August of this year, **2. however / in addition**, the swimming pool had not yet been built. **3. Equally/ Likewise**, the golf course was still unfinished.

**4. Then/After** there was the room. **5. Although / Despite** this had a sea view as advertised, the view was spoilt by building works in front of the hotel. **6. On the other hand/Furthermore**, the noise of the building woke us up early every morning.

**7. Lastly/Secondly**, we were so disappointed by the holiday that we left early.

**8. Despite / In spite of** our complaints, the hotel manager was rude and refused to give us any money back.

I am therefore writing to request an immediate refund. If we do not receive this within seven days, we will send our story and photos to the newspapers.

Yours sincerely,  
Mr Y Mee
