6. Education and Research

6.26 Impact of Education and Research programs in supporting the Sustainable Development Goals (SDGs).

Introduction

Uzbekistan State World Languages University (UzSWLU) recognizes the **United Nations Sustainable Development Goals (SDGs)** as a strategic framework for its educational, research, and community missions.

Through its academic programs, scientific research, digital transformation, and social outreach, UzSWLU aims to prepare **global citizens who contribute to sustainability, equality, and peace**.

The university's development policy, "*Sustainable Language – Sustainable World*", launched in 2021, fully aligns with Uzbekistan's **Green Growth Strategy** and the UN's **2030 Agenda for Sustainable Development**.

UzSWLU currently contributes to **16 out of the 17 SDGs**, demonstrating its holistic approach to sustainability in higher education.

1. Integration of SDGs into Education

Education for Sustainable Development (ESD) is embedded in all study programs at UzSWLU. Over **85% of undergraduate and graduate programs** include sustainability-related components.
