6. Education and Research

6.22. Total Number of Graduates (for the Last 3 Years)

Uzbekistan State World Languages University (UzSWLU) continues to expand its academic and social impact by preparing a growing number of highly qualified specialists in the fields of **foreign languages, translation, journalism, international relations, philology, education, preschool pedagogy, and social sciences.**

Over the past three years, the total number of graduates has steadily increased, reflecting both the university's expanding academic capacity and the growing national demand for multilingual professionals.

This increase is also supported by the launch of **new faculties**, including the **Angren Campus**, and the continuous modernization of educational programs under Uzbekistan's Higher Education Reform Strategy 2030.

Between **2023 and 2025**, UzSWLU produced a total of **16,207 graduates**, marking a **25% growth** in graduation output compared to the previous three-year cycle.

Table 1. Total Number of Graduates (2023–2025)

Year	Number of Graduates	Growth Rate	Remarks
2023	4,845	—	Post-pandemic recovery in graduation rates
2024	5,324	+9.9%	Inclusion of new majors in pedagogy and translation
2025	6,038	+13.4%	Opening of Angren Campus and expanded enrollment
Total (3 years)	16,207	+25%	Significant rise in multilingual and sustainability-oriented graduates

Contribution to National Development and SDGs

UzSWLU graduates significantly contribute to the **implementation of Uzbekistan's Sustainable Development Goals (SDGs)** by working in education, international cooperation, social innovation, and green entrepreneurship sectors.

SDG	Contribution
SDG 4 – Quality Education	Large number of teachers and language specialists ensuring access to quality multilingual education.
SDG 8 – Decent Work and	Employability and professional mobility of young graduates

SDG	Contribution
Economic Growth	across the education and service sectors.
SDG 9 – Industry, Innovation and Infrastructure	Increasing participation in innovation-driven projects and startups.
SDG 11 – Sustainable Cities and Communities	Graduates involved in eco-tourism, cultural management, and sustainable community initiatives.
SDG 17 – Partnerships for the Goals	Graduates engaged in international cooperation, translation, and cross-cultural sustainability projects.
