No. 312-T

**On the Establishment of the “EcoLingua” Student Sustainability Society**

In accordance with the United Nations Sustainable Development Goals (SDGs 4, 12, 13), the UI GreenMetric World University Rankings criteria, and the University’s “Green University” initiative, with the aim of engaging students in environmental sustainability activities and developing their leadership in promoting green practices,

**I HEREBY ORDER:**

1. The student sustainability society “EcoLingua” shall be established under the Student Council of UzSWLU, effective from the 2022–2023 academic year.
2. The society shall operate as a student-led organization with the mission of promoting environmental awareness, sustainability education, and green campus practices through language and communication.
3. The following organizational structure shall be adopted: — President (elected annually by student members) — Vice-President for Projects — Vice-President for Communications — Department Coordinators (one per faculty) — Faculty Advisor (appointed by the Rector)
4. The Faculty Advisor shall be appointed from the Department of Ecology and Green Resources to provide academic guidance and institutional coordination.
5. The society shall develop and implement an annual action plan including but not limited to: eco-forums, campus clean-up campaigns, sustainability awareness weeks, multilingual content creation, tree planting initiatives, and participation in national and international environmental events.
6. The society shall maintain an active presence on the University’s website and social media platforms, publishing regular reports on its activities and achievements.
7. The Student Council shall allocate appropriate resources and meeting spaces for the society’s operations.
8. The society shall submit an annual activity report to the Vice-Rector for Youth Affairs and the Green University Coordination Office.
9. Oversight of this order is assigned to the Vice-Rector for Youth Affairs and Spiritual-Enlightenment Work.
