Description

Uzbekistan State World Languages University operates as a multi-site institution. As of the 2026 reporting period, the university manages a total of six (6) university-owned sites: five (5) academic campuses located in Tashkent City and Angren City, and one (1) dedicated recreation and ecological complex (Orta Chirchiq), which is not used for academic instruction but is included in the university's total land and environmental calculations. This structure has remained unchanged between the 2025 and 2026 reporting periods.
