

University: Uzbekistan State World Languages University (UzSWLU)

Country: Uzbekistan

Web Address: <https://www.uzswlu.uz/en>

[1] Setting & Infrastructure (SI)

[1.10] Total Area on Campus Covered in Planted Vegetation

Overview

Planted vegetation (excluding forest) includes lawns and gardens, ornamental flowerbeds, decorative shrubs, green pedestrian corridors, and managed landscaped areas around academic buildings, dormitories, libraries, and sports facilities. All claimed areas are supported by site maps, building references, and photographic evidence showing the exact location of the vegetation, maintained by the university's landscaping services.

Calculation

Total Campus Area (1.5)	181,447.40 m ²
Planted Vegetation Area	44,402.00 m ²
SI3 (%)	24.47%

SI3 (%) = (Planted Vegetation Area ÷ Total Campus Area) × 100 = (44,402.00 ÷ 181,447.40) × 100 = 24.47%

Progress Compared with 2025

Indicator	2025	2026	Change
Planted Vegetation Area	40,333 m ²	44,402 m ²	+10.1%

Planted Vegetation Components

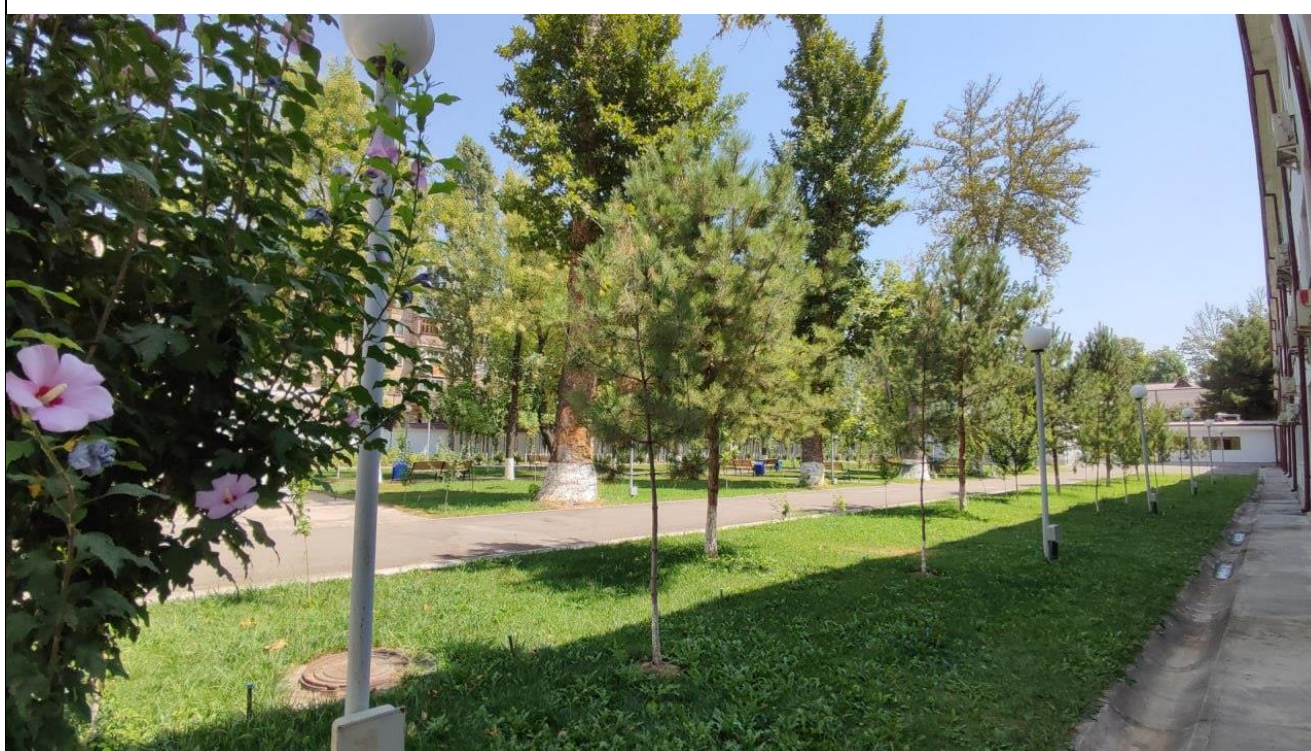

The university's planted vegetation includes:

- Lawns and grass-covered areas;
- Ornamental flower gardens;
- Decorative shrubs;
- Seasonal flowerbeds;
- Green pedestrian corridors;
- Campus courtyards;
- Landscaped recreation areas;
- Managed green zones around academic buildings, dormitories, libraries, and sports facilities.

These areas are maintained through regular irrigation, pruning, seasonal planting, soil care, and landscape improvement activities.

This result reflects the university's continued commitment to sustainable landscaping, biodiversity support, environmental responsibility, and the creation of a healthy and attractive campus environment.
