UZBEKISTAN STATE WORLD LANGUAGES UNIVERSITY

Actions to Promote Sustainable Commuting

SDG 11 Sustainable Cities and Communities | Reporting year 2025

Uzbekistan State World Languages University (UzSWLU) takes practical measures to make walking, cycling, shared and zero-emission transport the easiest way to reach and move between its campuses.

Measure	Provision at UzSWLU
Free shuttle buses	Free electric shuttle buses between the Main Campus (Small Ring Road) and the Zakovat Street Campus
Bicycles and scooters	Bicycle racks at building entrances and dormitories; free bicycle and e-scooter use on campus for students and staff
Electric vehicle charging	Electric vehicle charging stations with priority parking for electric vehicles
Car-Free Thursday	Every Thursday private cars are not admitted to academic zones
Vehicle permits	QR-based permits limit vehicle entry to authorized and service vehicles
Public transport	Campuses are served by city bus and metro routes; students are informed about discounted student travel passes

These measures are coordinated by the Department of Administrative Affairs with the Green Campus Council and are part of the University's commitment to reduce transport emissions recorded in its greenhouse gas inventory.
