Contribution to Local Arts through Public Performances

SDG 11 Sustainable Cities and Communities | Reporting year 2025

Students of Uzbekistan State World Languages University (UzSWLU) perform in theatre studios, a national instruments ensemble and dance and vocal groups. Their performances are free and open to the public, and take place on campus, in schools and in public spaces of Tashkent. The program is coordinated by the Vice-Rector for Spiritual and Educational Affairs with the Youth Union and the faculties. In 2025 the University's student groups gave 20 public performances, listed below.
